SCARPA® MAESTRALE RS²

No compromise. **MAESTRALE RS²**, **SCARPA® GEA RS²**, today lighter, stiffer and more comfortable, represent the new benchmark in the ski touring world. Lightness and comfort for uphill, stiffness and excellent control for the hardest downhill. The new geometry, the technologies and the new materials allows great performances and enjoyment in any uphill and any downhill. MAESTRALE RS² is compatible with all type of ski touring bindings.
